Anxious Crowd on Pier Sees dent Has Happened.

A pretty young woman held up the steamship St. Paul, of the American line. for over fifteen minutes this morning. forcing the company to send out special tug, and refusing to come ashore until the gangplank had been adjusted to her satisfaction.

The young woman was Mrs. Diehaud. a friend of W. E. Benjamin, the New York publisher. Not hearing the call "All visitors ashore," she had been carried out on the steamship into midstream.

esconced on board and everything seemed to be right for the steamship to be gin her voyage. The little tugs had left her side and were going back to the pier when suddenly a stream of flags fluttered out on the breeze from the steamship's foremast.

These were quickly interpreted on the shore and were found to read, "Send tug for woman." The tug Pulver was the first to reach the pier and her captain was sent hustling back to th

The crowd of three hundred assembled on the pier to see their friends away became anxious, not knowing what the signals meant. Many thought the steamship had met with an accident.

Climbs Along Ladder.

At last there came a little flutter of white and the form of a woman was seen to walk across a ladder on board the tug. The big steamship gave a final toot of her whistle and began again her interrupted voyage.

against the stringpiece. "That doesn't look quite secure," said the pretty young woman. "Some of you men jump on the pier and hold the top

This was no sooner said than done take the position. At last the ladder was steaded and the young woman climbed on the pier amid the cheers of

S. Herbert Barnes Demands Cafe Seizure Involved Loss Banker Signed.

FAILEDTOHEAR WARNING

Suit against the estate of the late millionaire banker. Edward Kelly, by S. Herbert Barnes, to recover on a check said to have been given by the banker, has been started in the Supreme which, she says, the Sheriff seized on Court.

Flutter of Signal Flags and safety of Signal Fla Maurice Meyer is Barnes's attorney. An air of mystery surrounds the suit. Mr. Meyer declines to make any statement concerning it. He says his client is "a gentleman with an income."

lawyers for the Kelly estate, said:
"Barnes, whoever he is, claims Mr.
Kelly gave him this oheck. We've A representative of Alexander & Green, never seen the check and nowhere is made affidavits that they believed Miller there any record of such a transaction by Mr. Kelly. We have no idea who Barnes is. We tried to find him, but without success."

The steamship started on time and swung around easily with the tide until her head pointed out to the sea. Hundreds of bags of mail had been

President of Merchants' Asso- Brooklyn Business Man Succiation Explains Alleged Offer of \$10,000 Yearly to Slated New Chief Engineer.

D. Leroy Dresser, President of the statement regarding the story that the Merchants' Association had guaranteed Turkish bathrooms in the Hotel St. \$10,000 yearly over and above his salary George of \$10,000 to John R. Freeman, of Providence, R. I., if he would accept the position of Chief Engineer of the Water

Department of New York. Mr. Dresser, in substance, says that the services of a man such as Mr. Freeman are necessary to the city's welfare and that, as Mr. Freeman's present in come is larger than the salary offered When the tug arrived at the pier a ladder was brought out and placed by the city, the difference, \$10,000, could be related by the court buttons. by private contributions through the Merchant's Association.
